Chapter 1

Intro

1.1 Start of Response to November 01 2010 Office Action

Sir: In response to the Office action of November, 1, 2010, please accept this amendment for the above-identified application as follows:

Amendments to the claims begin in chapter of that title of this paper.

Claims 1 to 39 are now cancelled. Claims 40 to 57 are entered. (This is also added below.)

The line of text

Claims 1-39 (canceled)

was added at the start of the claims listing in compliance with

<http://www.uspto.gov/web/offices/pac/dapp/opla/preognotice/officeflyer>.

pdf

as indicated in the office action as explanation.

In addition, I talked with examiner Rankins who kindly explained to me that I should add the line of text before claim 40 that states

Claims 1-39 (canceled).

This was done.

I am proceeding with this then and you can let me know if this is what you meant to be corrected. I am happy to discuss the specifics at any time at 703 799 0518, email mfc@patriot.net and Fax 703 799 4964. I am happy to help in any way to move the examination process forward and reach completion on this patent.

1.2 Start of response to Sep 22, 2010 action

Sir: In response to the Office action of September 22, 2010, actually post-marked on the envelope September 23, 2010 please accept this amendment for the above-identified application as follows:

Amendments to the claims begin in chapter of that title of this paper.

1.2. START OF RESPONSE TO SEP 22, 2010 ACTION

7

Claims 1 to 39 are now cancelled. Claims 40 to 57 are entered. (This is also added below.)

There was a complete listing of claims in the amendment submitted and they were in ascending order. Possibly, they were not scanned in somehow?

A cover sheet was added. Remarks now have a signature.
